
Sgt Pepper revisited

Posted by 4th Time Around - 2007/10/07 03:47

To mark the 40th anniversary of the release of Sgt Pepper's Lonely Hearts Club Band by The Beatles, the album's engineer, Geoff Emerick, headed back to the studio with some of today's top artists to create new versions of the album's classic tracks.

During the special recording session, musicians and audio engineer Geoff Emerick worked with the same equipment the Beatles used for their album.

Disclaimer: The following is my opinion !

Sgt Peppers is the second greatest album of all times.

To change it in any way would be like...a...a...a...
