
ENTRY FORM UPDATE

Posted by LostJohn - 2008/04/24 01:51

ATTN: NEP'ers

The entry form for the Spring/Summer 2008 Tour will be concluded momentarily.

With noses to the grindstone, the monkeys finished well ahead of schedule. Save for a few song groups, the form is complete, unique and without deceit.

We're patiently waiting for word on the upcoming tour's billing title.

Could be WENS Night...but surely by Friday AM> (All times Eastern)

Thank you,

Monkeys & Me

It was delivered this morning by Monkey #12 (Tweeter). After countless reviews, I've put the Golden Loom-Seal on it, and downloading has begun. Furthermore, the Super-Human-Crew research team believes general scores will drop drastically, and second guesses will be on the rise.

Good Luck to Everyone

By the way, the semi-official billing title has been released:

"From Maine to Spain" Spring/Summer 2008 Tour

Not sure if "From" will be included or not?
