
Lame Alphabetical Game

Posted by up to you - 2008/07/16 09:27

For anyone intensely bored, consider listing your favorite Bob songs alphabetically.

From "Absolutely Sweet Marie" to any song he has that starts with "Z". (Does he have one?)

I see no way of "scoring" this. I would leave that to "THURSDAY", if she is still around. (Are you, Honey?)

Well, hey, Zimmy, I'm still on line, thanks for playing along. I will mention that I think it was "BabyBlue"(but I'm not sure that mentioned long ago that he loved "Bob Dylan's Dream" and I have to say that that song has made me cry ... blahblahblah- sol' will say "Bob Dylan's Dream" and then go to sleep.

P.S. The line: "10 thousand dollllars!!!!!!
At the DROP OF A HAT!!!!
I'd GIVE IT ALL GLADLY
IF OUR LIVES COULD BE LIKE THAT'

is what kills me one that song

This was a close call, but I'm going with Freight Train Blues. So tough not to choose Forever Young, though.

yes...that was me UTY. :) i love that song...and it has been very poignant over the years...and very touching. it's brought me to tears at times...

hard to pick, but i think for "G" i have to go with

GATES OF EDEN ... the imagery in this song is beautiful.

In this room the heat pipes just cough
The country music station plays soft

Sorry, your game, your project. Plus I know a way to wipe out this whole game in a matter of seconds.

I've been following along, because my entertainment threshold is so low. I'd hate to see it wiped out.

I want you to get the full value of entertainment for your dollar, Michael, so don't worry I won't wipe it out - just excusing myself from participation (and all of up to you's dirty work).

You're the funniest gal that I never have seen (I.E.- I don't know what you mean by "WIPING IT OUT)....

Anyway, maybe it should be a circle that never is broken until we all get sick of it (which will probably be soon) because I have no plan and I(put the pressure on you, THURS!!!!

Meanwhile, I repeat:--->>>> E is for "Evangelina";)

Not being mean, just can't maintain it for you. Wipe it out means I know how to start and end this whole game with one post. So, I've excluded myself from participating. But have fun.
