Hey how come when I go look at pool results the grahics are on a banner that is about 2 miles to the right...anybody else get that?

same problem with the score page here mcapas -

this tour has really shown the value of a little bit of research - just picking the songs based on a sense of previous tour lists is not enough. i had gotten better results in the past by actually charting some results.

I had a wretched finish, redefining mediocrity from the ground up.

I seemed to overlook Moonlight and Sugar Baby in the 20 pt category. I (foolishly) assumed that since it was announced there wasnt going to be any funny stuff in the Wildcard category, that there actually wouldnt be any funny stuff

Magma, according to what I have gleaned, you did indeed win.

I sent you a belated congratulatory note somewhere in my dim past.

I now repeat, good job, old salt!!!

Prizes are out of my hands.....

P.S.--- I will Destroy you next turn!! (Just joshing)
