Play the Bob Dylan PoolWhat is this?

This is the Bob Dylan fantasy pool. For every Bob Dylan tour, we put an online game in which you guess what songs Dylan is going to play in his concerts.

A hint: on an average tour, Dylan reaches nearly 100 different songs :). How to play?

Login or register to this site.

Fill out your entry form . You can fill out the form until the moment Bob hits the stage for his first concert of the tour. After that, you can no longer register.

We have compiled a number of song groups. Each song has a number of points. A song that is played a lot gets low points, a more rare song gets more points. It's up to you to decide what's the best combination!

After each concert, we try to upload the setlist as soon as possible and calculate everybody's scores.Join a Team!
